

# Our Program

Peak Award

# Meet Charlie

- ▶ Charlie is a Rover who has just completed their Baden Powel Scout Award on Our Program.
- ▶ Charlie completed the award over a period of 3.5 years.
- ▶ This is a summary of Charlie's journey through Our Program, it does not include everything they did to earn every badge, it is a summary of what they completed.

# Introduction to Section

- ▶ Charlie joined Rovers from Venturers.
- ▶ Before being invested into the Rover Unit Charlie had a discussion with some current members of the Unit, covering what Rovers is about and what can be achieved in Rovers, behavioural expectations and promise and law.
- ▶ If Charlie was new to Scouting they would also participate in a discussion covering 'Introduction to Scouting' which covers the background of Scouting, Promise and Law, SPICES, investitures etc.

14 progressions during Rovers

# Core Skills and Vertical Skills (OAS)

- ▶ **Stage 6 Survival** - Charlie assisted to plan and run a survival camp focusing on survival gear and skills. Charlie attended a survival weekend focusing on new survival skills and safety.
- ▶ **Stage 6 Abseiling** - Charlie planned and led an abseiling day for Joeys, under supervision. Charlie participated in a team abseiling day focusing on safety, procedures and self rescue. Charlie participated in one additional day of abseiling as a participant with other Rovers.

# Alpine Skills (OAS)

- ▶ **Stage 4/5 Snowboarding** - Charlie participated in a weekend of Snowboarding, including a lesson and practice time. Charlie went on a snowboarding trip focusing on safety and beginner snowboarding skills. Charlie completed a First Aid and CPR qualification.
- ▶ **Stage 8/9 Downhill Skiing** - Charlie assisted a Venturer to plan an overnight downhill skiing trip. Charlie planned and participated in an off piste skiing trip. Charlie attended a Venturer skiing trip in which they taught other Scouts skiing skills. After completing a ski instructor qualification Charlie organised a group ski trip, involving teaching other Scouts skiing skills and safety. Charlie went on a ski trip, focusing on off piste skiing. Charlie planned their dream overseas skiing trip. Charlie gave a presentation about their skiing journey.

# Cycling Skills (OAS)

- ▶ **Stage 4 Mountain Biking** - Charlie attended 3 mountain biking activities, focusing on safety, maintenance, planning and technique.
- ▶ **Stage 4 Cycle Touring** - Charlie participated in a day cycling trip, focusing on safety, maintenance and basic technique. Charlie participated in 4 short, additional cycling rides.

# Aquatic Skills (OAS)

- ▶ **Stage 4/5/6 Lifesaving** - Charlie completed a swimming teacher qualification. Charlie completed a First Aid and CPR qualification. Charlie completed clothed and technical swim sequences. Charlie led a night for the Cubs focusing on water safety and rescue drills. Charlie organised a water safety night, including a talk from a local surf lifesaver and rescue drills for the Scout section. Charlie completed a swim sequence in clothes.
- ▶ **Stage 7 Swiftwater Safety** - Charlie participated in a swiftwater safety course focusing on hazards and rescues.

# Paddling Skills (OAS)

- ▶ **Stage 4 Canoeing** - Charlie participated in a group canoeing activity with their Rover Unit, focusing on basic canoeing skills. Charlie assisted to run a group canoeing activity for some Scouts with less experience in canoeing.
- ▶ **Stage 4 Kayaking** - Charlie attended 2 kayaking day trips, focusing on basic kayak skills

# Special Interest Areas

# Adventure and Sport (SIA)

- ▶ **Project 1** - Charlie organised and ran an abseiling day for Joeys, including planning, risk assessment and equipment as well as teaching the Joeys basic safety requirements, the equipment they will use and assisting them to try different abseils.
- ▶ **Project 2** - Charlie completed a swimming training program over 3 months to improve technique, times and endurance.

# Arts and Literature (SIA)

- ▶ **Project 3** - Charlie learnt how to use a wood burner, learning basic skills and then creating 5 pictures using a wood burner.
- ▶ **Project 4** - Charlie explored different types of picture making, creating an etch art, diamond painting, water colour painting and cross stitch.

# STEM and Innovation (SIA)

- ▶ **Project 5** - Charlie built 5 basic solar robots from a kit, researched how they worked and then designed their own basic solar robot.

# Growth and Development (SIA)

- ▶ **Project 6** - Charlie learnt the AUSLAN alphabet, how to introduce themselves in AUSLAN and how to use 50 basic signs.

# Milestones

# Milestone 1

- ▶ **Participate:** Charlie participated in 24 activities across the 4 challenge areas.
- ▶ **Assist:** Charlie assisted in running activities at a district Venturer/Rover night, an activity at a Cub Halloween night and an abseiling activity for Venturers at Cuboree.
